

<u>SPEAKER</u>	<u>TOPIC</u>	<u>OVERVIEW</u>
Tina Meier, Megan Meier Foundation	Cyberbullying	Tina Meier, founded the non-profit Megan Meier Foundation in December of 2007. The foundation was created after Tina's daughter, Megan Meier committed suicide on October 16, 2006. Megan was in the 8th grade and just weeks short of her 14th birthday. Megan had her whole life ahead of her, but tragically was cyberbullied and part of a MySpace hoax that was created by an adult neighbor that lived just four houses down the street.
Detective John Howe and Detective Matt Fowler, Independence, MO PD	Operation Guardian Angel	This presentation will provide detailed information on recent undercover operations that targeted adults interested in engaging in commercial sex acts with children. Operation Guardian Angel was conducted in Kansas City, Missouri in January and March of 2009, and involved undercover detectives posting advertisements online offering children available for sex. The operation resulted in seven individuals being charged in federal court in the Western District of Missouri and was the first time that a customer of "prostitution" was charged under this human trafficking statute.
Randall Huff, TLO Computer Company	Operation Fairplay	This session will cover the future of police high tech investigations. Specifically, Mr. Huff will cover Identifying predators that produce and trade child pornography over the Internet, as well as arresting and prosecuting those most likely to offend children.
Chief Russell White, Alma PD Colleen Nick, Morgan Nick Foundation	Case Study: Morgan Nick	Colleen Nick and Chief White will discuss both the immediate and long term issues they have worked through on this high profile case. They will cover some of the pitfalls they have encountered, discuss the effects of child abduction on the police, the family, and the community. The dedication demonstrated by the police along with the transparency of Morgan's family will provide you with a deeper understanding of how law enforcement and families can work together.
Sergeant Adam Holland, Fort Smith PD	Operation Hope	This session will assist agencies in evaluating their policies on responding to missing and abducted children. It will also cover resources and suggestions on ways to improve and modify agency policies, training, and response.
Kathy Zasimovich, Lonoke County K9 Unit Jeanette Barnes, Saline County Sheriff SAR	Search Dog Alliance of Arkansas	SDAOA is a group of SAR K9 Handlers as well as Ground Search Personnel who desire to further the effectiveness of Search and Rescue efforts in the State of Arkansas. By connecting handlers throughout the state, the Alliance aims to create a network of professional, capable dog teams which are readily available if the need arises.
